Tailgate - Includes 18"x36" brushed stainless steel fold down table, spare tire mount, spare idler hub with greased bearings, Turtleback Trailers Rotopax dual mount.

48"x32" Nose Box, 45" Side Box, 25" Side Box Our Storage Box Set are constructed in house using CNC Laser cut aluminum. Then they are CNC bent to insure the perfect fit. Our welder TIG welds them together then they are powder coated in and out. We finish the assembly with 1/163 stainless rope to hold the doors at a 90 degree for additional table space. We line the door with Baltic Birch inserts and seal the doors with 3/8" rubber bulb seal that is connected with a steal re-enforced pinch welt. We use polished stainless like keyed latches.

Includes Blue Sea 1 Battery Disconnect, Blue Sea 6 Circuit Fuse Block, 6 Amp Marine Battery 2 Bank Charger (Shore Power), 10 Amp Solar controller with Voltage Meter.
